

Welcome in the holiday region Sörenberg Flühli.

We are pleased, that you spend your most beautiful days of the year somewhere where grandeur and cordiality go hand-in-hand. At the heart of Central Switzerland, in the midst of the Entlebuch UNESCO Biosphere.

Winter in Sörenberg

Time for unforgettable winter fairy tales, to the delight of all the family. Whether you're one for action on the slopes or for more easy-going enjoyment, one thing's for sure - Sörenberg will set your pulse racing!

Family winter holidays in Sörenberg leave tracks. In the snow, of course, but also in the hearts of our guest. Whether advanced skier or raw beginner, you'll feel on top of the world on our abundance of slopes, from the Briener Rothorn to the Rischli. And the cosy mountain restaurants are where you'll put your thirst for adventure on hold for a while. Go sledding. Or touring. Walk through a winter wonderland. And you and the kids can find out all there is to know about winter activities at one of the friendly snow sports schools.

We wish you a comfortable stay and many beautiful hours in the holiday region Sörenberg Flühli.
